

WIBOX

VDS **FERMAX**

CALL FORWARDING TO SMARTPHONE

If you have **FERMAX**
you're already connected

The monitor shown in this brochure is illustrative.

Wi-Box is compatible with FERMAX VDS home monitors or telephones. No matter how old your preexisting installation is.

FROM YOUR MOBILE YOU CAN PERFORM THE FUNCTIONS YOU NORMALLY DO FROM YOUR HOME'S **MONITOR OR TELEPHONE** AND MUCH MORE!

ADVANTAGES

SECURITY

You will receive calls on your mobile wherever you are. So that your house will never seem empty.

COMFORT

You can open the door to visitors from the couch by using your mobile phone.

PEACE OF MIND

With your mobile you will be able to connect to the outdoor panel without the need for a prior call, or activate an auxiliary camera from your holiday destination.

MOBILITY

You can open the door with your mobile without the need to carry keys.

GET A WI-BOX AT HOME

80x80x20mm
