

PROLONGADOR DE LLAMADA - CALL EXTENDER - PROLONGATEUR D'APPEL - ZUSATZLAUTSPRECHER - PROLONGADOR DE CHAMADA

- E** El prolongador se utiliza para poder escuchar el sonido de llamada en otro lugar de la vivienda alejado del Monitor/Teléfono, por ejemplo en el jardín.
- EN** The extender is used to be able to hear the call tone in a different part of the house from where the Monitor/Telephone is installed, for example in the garden.
- F** Le prolongateur d'appel est utilisé dans le but d'entendre la sonnerie dans les endroits du logement autres que celui où est installé le moniteur/poste, dans le jardin par exemple.
- D** Der Zusatzlautsprecher wird verwendet, um das Klingelzeichen in anderen Räumen hören zu können, an denen der Monitor/Telefonen nicht montiert ist, z.B. im Garten.
- P** O prolongador utiliza-se para poder escutar o som da chamada em outro lugar da vivenda longe do Monitor/Telefone, por exemplo no jardim.
