

Product Code

F01459

MARINE PANEL FLUSH BOX MEET

Reference

1459

EAN

8424299014593

Description.

Description

To install a plate it is necessary to place a box on the wall or wall where we will later fix the plate.

Marine embedding boxes are metallic.

In the event that several plates are combined, it is necessary to use a set of spacers (ref. 14591), for a perfect coupling. One set is required for each additional plate installed between the wallboxes.
