F01508

1W MEET VIDEO NEO WHITE KIT

Reference

1508

EAN

8424299015088

Description.

Description

NEO MEET VIDEO KIT for single-family homes, offices and businesses. MEET IP video door entry system. Decentralized SIP P2P protocol. Direct connection of devices to the building network infrastructure.

NEO monitor with 7" capacitive touch screen and hands-free audio. Surface installation using 95411 connector.

Doorbell function. Photos of missed calls. Visualization of IP cameras.

MILO 1L IP54 panel with 1.2MPx color camera. Installation in embedding box 9543.

Call forwarding to up to 8 devices with MEET ME APP as standard. Licenses included. Pairing of users' mobile devices through a label on the front of the monitor. Receiving calls even when the APP is closed.

Expandable to a maximum of 8 panels and 8 monitors. Possibility of intercommunication between monitors (autodiscovery of monitors).

SIP-compliant. Integrable with third-party VoIP terminals and PBXs.

Panel RTSP streaming for image recording from a third-party video recorder.

Reconfiguration of devices via web browser, without additional software.

Details.
