

Product Code

F04653

MARINE ST3+ FLUSH BOX

Reference

4653

EAN

8424299046532

Description.

Description

- To install an outdoor panel it is necessary to place a box on the wall or wall where we will later fix the panel.
- Marine embedding boxes are metallic.
- In the event that several panels are combined, always from the same series, it is necessary to use a joining bolts set (ref. 2289), for a perfect coupling. One set is required for each additional panel installed between the flush boxes.
- Available in all series. Select the box of the necessary series, according to the case.
