MARINE ST3+ SURFACE BOX

Reference

4654

EAN

8424299046549

Description.

Description

To install a panel it is necessary to place a box on the wall or wall where we will later fix the panel.

For those cases where a hole in the wall for the embedding box is not desired or cannot be made (facades of marble, stone, etc.), it is recommended to use a surface box.

The depth is 95mm (including depth of the visor and 33 mm without it), and its design integrates perfectly with the aesthetics of the panel. Includes visor.

Available in all series. Select the box of the necessary series, according to the case.

Technical Details

Dimensions (width x height x depth): 154x424x95 mm

95mm deep counting what the visor protrudes. The depth of the case without counting the visor is 33 mm.
