### Description.

#### Description

The classic range of CITYMAX audio kits is back again for **up to 24 apartments**.

- Indoors, **the Citymax telephone** (surface installation).
- Outdoors, the **City Classic door entry panel**, high quality and resistance.

City Classic is the FERMAX original and avant-garde outdoor panel with a convex curved profile. Gifted with a genuine urban character, it is the ideal range for audio installations for any type of building. Manufactured in a highly weather resistant anodised aluminum. Citymax telephone represents the classic and versatile model from Fermax. Manufactured in white ABS plastic with a textured finish for easy cleaning as well as ultraviolet protection. Includes different attachment points to install on the wall.

#### EXTENSIONS

- Indoors: 2 additional Citymax telephones (ref. 80447), with no need of extra power supply.
- At the accesses: a 2nd access for the garage entrance or secondary door.
