8/W CITYMAX AUDIO KIT WH./TEL

Reference EAN

6208 8424299062082

Description.

Description

The classic range of CITYMAX audio kits is back again for up to 24 apartments.

- Indoors, the Citymax telephone (surface installation).
- Outdoors, the City Classic door entry panel, high quality and resistance.

City Classic is the FERMAX original and avant-garde outdoor panel with a convexcurved profile. Gifted with a genuine urban character, it is the ideal range for audio installations for any type of building. Manufactured in a highly weather resistant anodised aluminum. Citymax telephone represents the classic and versatile model from Fermax. Manufactured in white ABS plastic with a texturised finish for easy cleaning as well as ultraviolet protection. Includes different attachment points to install on the wall. EXTENSIONS

- Indoors: 2 additional Citymax telephones (ref. 80447), with no need of extra power supply.
- At the accesses: a 2nd access for the garage entrance or secondary door.
