COLOUR 4+N VIDEO SKYLINE MODULE W

Reference

7406

EAN

8424299074061

Description.

Description

Colour video amplifier module for inclusion in video door entry panels of the SKYLINE panel.

The new design, in its video entry version, includes audio and video functions in the same module. For video door entry installations. The module includes the amplifier (audio unit) incorporating the electronic circuits needed for audio system operation, opening the door, etc. . It has 2-way outdoor panel-home and home-panel volume adjustment so that the installer can set the optimal level and COLOUR TV camera with built-in lighting and pan&tilt regulation system to adjust the camera lens.

The New SKYLINE electronic and video entry panel is a robust and elegant panel that stands out for its durability, beauty, resistance and reliability.

SKYLINE is a new line of modular composition continuous profile electronic and video entry outdoor panels from FERMAX. The line consists of 8 different-sized frames where the different modules can easily be fitted pushbuttons, card slots, camera, amplifier, access control, etc. The frames let you fit a given number of modules. There are two module sizes: V and W. W modules are twice as wide as the V modules.

Module Dimensions.

- V module: 105,2x47,5 mm (width-height):

- W module: 105,2x95 mm (width-height):

It is possible to combine two or more panels, as long as they are from the same series, to achieve greater capacity for pushbutton and accessories.

Conventional System: uses wires common to the whole installation plus 1 call wire (or call return) per home..

Recommended in small to medium-sized buildings (up to 50 residents approx), with several accesses and central guard unit. For residential complexes with general entrance and interior blocks.

Wiring:
- Audio door entry system: 4 common wires + N (1 call wire per home).
- Video door entry system: 7 common wires + 1 video coaxial+N (1 call wire per home).
Maximum distance in the installation based on the cable section used (see technical manuals).

Module for fitting to New SKYLINE Panel frame.

Technical Details

Two-way volume control
Operating temperature: -10 to 60 ºC
