

Product Code

F07438

SKYLINE MEMOKEY W

Reference

7438

EAN

8424299074382

Description.

Description

Access control module, to be fitted in electronic audio/video entry panels.

Telephone type keypad that lets you open the door when a previously programmed 6 digit code is entered.

New Cityline Panel:

CityLine is the "continuous profile" outdoor panel line.

This new panel model is more robust, more luxurious and higher design and functional quality.

Colour aluminium

Stand-alone Access Control System. For installations where a simple access control is required, with no incidents record, to complement the audio/video door entry system and enable access to the building for residents, for example: offices, small businesses, garages.
