#### Description

- Anodized aluminum piece.
- Very useful for protecting the exterior panel when, due to its location, it may be affected by external agents such as rain, snow, etc.
- The visor is unique and fits all CORA plate sizes (S6 and S8).
- If a CORA plate is installed with one or more CORA Directory plates, each plate will have its own visor.
- The CORA visor is suitable for both flush-mounted and surface-mounted installations. It can be installed with all the Accessories, whether single or multi-Panel.
