Description.

Description

The decorative frames allow you to replace old door entry and video door entry panels with the new models from the CORA series, covering the gap and integrating perfectly with the finish of said panels.

Made of aluminum painted with saturated polyester resins with excellent outdoor durability.

They are available in the CORA Plate SERIES sizes (S6 and S8), and in widths sufficient to cover 1 or 2 plates at a time:

- Simple Frame: 1 plate
- Double Frame: 2 plates

They are supplied with all the accessories necessary for assembly.

They can only be installed if the plate is mounted with a flush-mounted box, never with a surface box.
