# Description.

### Description

Audio terminal. Installed in homes, enables communication with outdoor panel and door opening. Fermax extra-flat format phones are manufactured in high impact ABS plastic with a mirror polish type finish for easy cleaning.

The industrial design applied and the top quality components give shape to a robust and reliable telephone that will equally please both professional and user.

Easy to fit wall mounted installation.

Conventional System: uses wires common to the whole installation plus 1 call wire (or call return) per home..

Recommended in small to medium-sized buildings (up to 50 residents approx), with several accesses and central guard unit. For residential complexes with general entrance and interior blocks.

## Wiring:

- Audio door entry system: 4 common wires + N (1 call wire per home).
- Video door entry system: 7 common wires + 1 video coaxial+N (1 call wire per home).

Maximum distance in the installation based on the cable section used (see technical manuals).

#### Technical Details

Power supply:

- Audio: 12 Vac
- Video: 18 Vdc

Door release and guard unit call button.

Colour: gloss white (similar to RAL 9016)
